U. S. Department of Housing and Urban Development Pittsburgh Office 339 Sixth Avenue Pittsburgh, PA 15222-2507

APR 2 3 2010

Mr. Carl DeChellis
Executive Director
Housing Authority of the County of Beaver

Beaver, PA 15009

Subject: Housing Authority of the County of Beaver – PA014

Development Proposal Approval – New Brighton

Addition to Morado Dwellings

Dear Mr. DeChellis:

The Department of Housing and Urban Development (HUD) hereby approves the Housing Authority of the County of Beaver's (HACB) proposal to construct new public housing on previously acquired property located in New Brighton, PA. The HACB acquired this site with the Beaver County Neighborhood Stabilization Program (NSP) grant funds. This development will create additional affordable housing options for Beaver County residents. The HACB's submission of this proposal on February 19, 2010, and additional documentation submitted on March 18, 2010, satisfies the public housing development requirements described in 24 CFR §941.304.

Project Structure

This letter grants approval for the construction of **two** single family homes at this site. The units will be considered replacement housing and will be included as part of the HACB's Morado Dwellings public housing development. These homes will be composed of the unit characteristics indicated in *Table 1*.

Table 1: Unit Characteristics

| Development | Proposal | Housing | Household | Bedr | oom Dis | tributio | n | Total | UFAS |
|-----------------------|-----------|------------------|------------------|------|---------|----------|------|-------|-------|
| Name | Date | Type | Type | 0 BR | 1 BR | 2 BR | 3 BR | Units | Units |
| New Brighton Homes | 2/19/2010 | Single Family | Single Family | | | | 2 | 2 | |
| | | | | | | | | | |

Both units will be constructed to be adaptable for occupancy by persons with disabilities. We remind the HACB of its obligation to meet the minimum accessibility requirements listed at **24 CFR §8.25**. Prior to the beginning construction the HACB shall submit final construction specifications and schematic drawings to our office for review and approval.

Our office encourages PHAs to construct ENERGY STAR-qualified units in order to support the goals of the President's National Energy Policy. Energy conservation measures

reduce the burden of public housing energy costs while increasing comfort and reducing health risks to public housing residents. The HACB may refer to PIH Notice 2009-9 for energy conservation guidance.

Project Financing

The HACB will allocate \$371,610 in Replacement Housing Factor (RHF) funds toward this project. NSP funds will be utilized to cover costs for acquisition and demolition. In sum, \$461,610 is the approved project budget for this development. The total project cost to be funded with public housing capital assistance, as set forth in the proposal and as approved by HUD, shall not exceed the approved Total Development Cost (TDC) limit of \$492,848. Material changes in the approved development proposal, including any increase in the budget or any change in the payment schedule, require an amendment to the proposal, which must be approved by HUD.

Next Steps

We will assist the HACB in the preparation of an Amendment to Consolidated Annual Contributions Contract (ACC). The Amendment to the ACC assures that the units are public housing units for all purposes, including the receipt of Operating Funds. Consequently, the public housing units must be managed and operated in compliance with all public housing requirements. After execution of the Amendment to the ACC, the HACB shall execute and file for record a Declaration of Trust, as provided under Part A, Section 8 of the ACC, to protect the rights and interests of HUD. Legal documentation, including the title and deed, shall be included with the Declaration of Trust.

When all development has been completed and paid for, but not later than 12 months after the end of the initial operating period, the ACHA shall submit a statement of the actual development cost, in accordance with 24 CFR §941.404. HUD will review the statement and establish the actual development cost of the project, which becomes the maximum total development cost for purposes of the ACC.

Congratulations on your continued efforts in meeting the needs of your residents and the further revitalization of your communities. If you have further questions, please contact Lee Asad, Public Housing Revitalization Specialist, at (412) 644-5762.

Development Proposal Approval

Pulaski Homes

Dear Mr. DeChellis:

The Department of Housing and Urban Development (HUD) approves the Housing Authority of the County of Beaver's (HACB) proposal to acquire 78 units that are part of the Pulaski Homes apartment complex located in New Brighton, PA. The acquisition of these units will create additional affordable housing options for Beaver County residents. The HACB's submission of this proposal on July 23, 2010, and additional documentation submitted on February 17, 2011, satisfies the public housing development requirements described in 24 CFR §941.304.

Project Structure and Finance

This letter grants approval for the acquisition of 78 housing units at the Pulaski Homes apartment complex. These units are part of separate multifamily buildings and will be composed of the unit characteristics indicated in *Table 1*.

Table 1: Unit Characteristics

| Development | Proposal | Housing | Household | Bei | droom I | Distribut | ion | Total | UFAS |
|---------------|------------|--------------------------|------------------|------|---------|-----------|------|-------|-------|

The HACB proposes to fully revitalize the Pulaski Homes site by utilizing HUD's Operating Fund Financing Program (OFFP). As part of this plan, the HACB will reduce the overall public housing unit total from 78 to 53 units through conversions and redevelopment. The HACB must submit a formal OPPF application to HUD's Office of Public Housing Investments in Washington, DC for final approval. The Total Development Cost (TDC), which

serves as the approved project budget, and the unit characteristics of the proposed revitalization plan is indicated in *Table 2*.

Table 2: TDC and Approved Project Budget

| Multifamily Row House | Single Family | | 8 | 37 | 8 | 53 | 3 | \$10,516,791 | \$10,516,791 | |

We remind the HACB of its obligation to meet the minimum accessibility requirements listed at 24 CFR §8.25. In accordance with these regulations, the HACB will provide three accessible units at the Pulaski Homes complex. Within six months from the date of this approval, the HACB will submit final accessibility plans and specifications to our Office for review. The HACB will also provide a schedule indicating when the units will be complete. The HACB may choose to construct new accessible units, or merge and renovate existing units to meet this requirement. Additionally, we encourage the HACB to implement its proposed collaboration with local transportation providers to offer Pulaski Homes tenants alternative modes of public transportation.

ACC and Declaration of Trust

We will assist the HACB in the preparation of an Amendment to Consolidated Annual Contributions Contract (ACC). The Amendment to the ACC assures that the units are public housing units for all purposes, including the receipt of Operating Funds. Consequently, the public housing units must be managed and operated in compliance with all public housing requirements. After execution of the Amendment to the ACC, the HACB shall execute and file for record a Declaration of Trust, as provided under Part A, Section 8 of the ACC, to protect the rights and interests of HUD. Legal documentation, including the deed, title and survey, shall be included with the Declaration of Trust.

When all development has been completed and paid for, but not later than 12 months after the end of the initial operating period, the HACB shall submit a statement of the actual development cost, in accordance with 24 CFR §941.404. HUD will review the statement and establish the actual development cost of the project, which becomes the maximum total development cost for purposes of the ACC.

We will assist the HACB with the uploading of building and unit data into the Public Housing Information Center (PIC). The HACB must designate this project as a separate public housing development in PIC. The option to merge the project into an existing public housing development will be available to the HACB one year after execution of the ACC. To initiate the upload process, the HACB shall submit a Date of Full Availability (DOFA) certification.

Congratulations on your continued efforts in meeting the needs of your residents and the further revitalization of your communities. If you have further questions, please contact Lee Asad, Public Housing Revitalization Specialist, at (412) 644-5762.

Housing Authority of the County of Beaver FY 2011 Agency Plan

Description of Activities, Services or Programs provided or offered Pursuant to the Violence Against Women Act

The Housing Authority of the County of Beaver (HACB) responded to the requirements as prescribed in PIH Notice 2006-42 issued December 27, 2006 in respects to notifying public housing tenants and Section 8 Housing Choice Voucher recipients of their rights, as well as, HACB staff and Section 8 Housing Choice Voucher property owners of their responsibilities, under the Violence Against Women Act. Upon receipt of PIH Notice 2006-42, the following was accomplished:

- 1. The formulation of HACB's Violence Against Women Act Policy. See attached referenced Document 1.
- 2. Notification of both public housing tenants and Section 8 HCV recipients of the components of VAWA and their rights thereof. See attached referenced Document 2.
- Notified public housing tenants of a lease amendment effective January 1, 2007 incorporating the requirements of VAWA within the public housing lease agreement. See attached referenced Document 3.
- 4. In concert with the notification of the VAWA lease amendment, a notification of rights and obligations under VAWA was transmitted to both public housing tenants and Section 8 HCV recipients. See attached referenced Document 4.
- 5. After the notification of public housing tenants of the VAWA lease amendment, the public housing lease agreement incorporated the language of this lease amendment within the body of the lease agreement as Section 18. This lease was made effective January 1, 2007 for all newly housed public housing tenants. See attached referenced Document 5.
- 6. When notifying existing or newly housed public housing tenants or existing or new Section 8 HCV recipients, instructions were formulated so that public housing tenants or Section 8 HCV recipients would understand the process by which to notify HACB that they are a victim of domestic violence, dating violence and/or stalking. See attached referenced Document 6.
- 7. In reference to the instructions stated in step 6, Form HUD-50066, Certification of Domestic Violence, Dating Violence or Stalking would be provided to the victim to complete. See attached referenced Document 7.

The Housing Authority of the County of Beaver has provided various activities to educate its resident population concerning domestic violence, dating violence and stalking through partnerships with other service providers as follows:

- The Prevention Network, administrators of the now completed SHARES
 Program, funded by the Resident Opportunity and Self Sufficiency (ROSS) grant, conducted community safety awareness meetings with residents and representatives of local police departments.
- Gateway Rehabilitation Center, a local drug and alcohol treatment center, conducted meetings with residents on the topics of decision making, communication, team building and conflict resolution. Also, if the situation warranted it, drug and alcohol treatment services were offered to the victim of domestic violence.
- 3. The Housing Authority of the County of Beaver through its now completed Public Housing Neighborhood Networks grant offered Internet Safety Classes to educate computer users of the dangers of sexual predators using the internet.
- 4. The Prevention Network, administrators of the Transitions Program, funded by the Resident Opportunity and Self Sufficiency (ROSS) grant, continues to provide classes to educate computer users of the dangers of sexual predators using the internet since the Public Housing Neighborhood Networks grant was fully expended and closed out.
- 5. The Women's Center of Beaver County, the agency within Beaver County that provides services to victims of domestic violence, provides seminars on domestic violence, self esteem, recognizing positive and negative relationships, finding your voice, and stress management. These services continue under the Transitions Program.

Also, the Housing Authority of the County of Beaver, in recognition of the need to provide housing to the victims of domestic violence, when federal admission preferences were abolished, established a housing preference to applicants for both our Public Housing and Section 8 HCV programs who declare and certify that they are a victim of domestic violence.

To the extent any provision of this policy shall vary or contradict any previously adopted policy or procedure of HACB, the provisions of this Policy shall prevail.

IV. Definitions

As used in this Policy:

- A. *Domestic Violence* The term 'domestic violence' includes felony or misdemeanor crimes of violence committed by a current or former spouse of the victim, by a person with whom the victim shares a child in common, by a person who is cohabiting with or has cohabited with the victim as a spouse, by a person similarly situated to a spouse of the victim under the domestic or family violence laws of the jurisdiction receiving grant monies, or by any other person against an adult or youth victim who is protected from that person's acts under the domestic or family violence laws of the jurisdiction."
- B. Dating Violence means violence committed by a person—
 - (A) who is or has been in a social relationship of a romantic or intimate nature with the victim; and
 - (B) where the existence of such a relationship shall be determined based on a consideration of the following factors:
 - (i) The length of the relationship.
 - (ii) The type of relationship.
 - (iii) The frequency of interaction between the persons involved in the relationship.

C. *Stalking* – means –

- (A) (i) to follow, pursue, or repeatedly commit acts with the intent to kill, injure, harass, or intimidate another person; and (ii) to place under surveillance with the intent to kill, injure, harass or intimidate another person; and
- (B) in the course of, or as a result of, such following, pursuit, surveillance or repeatedly committed acts, to place a person in reasonable fear of the death of, or serious bodily injury to, or to cause substantial emotional harm to
 - (i) that person;
 - (ii) a member of the immediate family of that person; or
 - (iii) the spouse or intimate partner of that person;
- D. Immediate Family Member means, with respect to a person -
 - (A) a spouse, parent, brother, sister, or child of that person, or an individual to whom that person stands in loco parentis; or
 - (B) any other person living in the household of that person and related to that person by blood or marriage.

E. *Perpetrator* – means person who commits an act of domestic violence, dating violence or stalking against a victim.

V. Admissions and Screening

- A. *Non-Denial of Assistance*. HACB will not deny admission to public housing or to the Section 8 rental assistance program to any person because that person is or has been a victim of domestic violence, dating violence, or stalking, provided that such person is otherwise qualified for such admission.
- B. Admissions Preference. Applicants for housing assistance from HACB will receive a preference in admissions by virtue of their status as victims of domestic violence [dating violence, stalking]. This preference is particularly described in Section 9.1 of the Housing Authority of the County of Beaver's Public Housing Admission and Occupancy Policy.

VI. Termination of Tenancy or Assistance

- A. *VAWA Protections*. Under VAWA, public housing residents and persons assisted under the Section 8 rental assistance program have the following specific protections, which will be observed by HACB:
 - 1. An incident or incidents of actual or threatened domestic violence, dating violence, or stalking will not be considered to be a "serious or repeated" violation of the lease by the victim or threatened victim of that violence and will not be good cause for terminating the tenancy or occupancy rights of or assistance to the victim of that violence.
 - 2. In addition to the foregoing, tenancy or assistance will not be terminated by HACB as a
 - result of criminal activity, if that criminal activity is directly related to domestic violence, dating violence or stalking engaged in by a member of the assisted household, a guest or another person under the tenant's control, and the tenant or an immediate family member is the victim or threatened victim of this criminal activity. However, the protection against termination of tenancy or assistance described in this paragraph is subject to the following limitations:
 - (a) Nothing contained in this paragraph shall limit any otherwise available authority of HACB' or a Section 8 owner or manager to terminate tenancy, evict, or to terminate assistance, as the case may be, for any violation of a lease or program requirement not premised on the act or acts of domestic violence, dating violence, or stalking in question against the tenant or a member of the tenant's household. However, in taking any such action, neither HACB nor a Section 8 manager or owner may apply a more demanding standard to the victim of domestic violence dating violence or stalking than that applied to other tenants.

- (b) Nothing contained in this paragraph shall be construed to limit the authority of HACB or a Section 8 owner or manager to evict or terminate from assistance any tenant or lawful applicant if the owner, manager or HACB, as the case may be, can demonstrate an actual and imminent threat to other tenants or to those employed at or providing service to the property, if the tenant is not evicted or terminated from assistance.
- B. Removal of Perpetrator. Further, notwithstanding anything in paragraph VI.A.2. or Federal, State or local law to the contrary, HACB or a Section 8 owner or manager, as the case may be, may bifurcate a lease, or remove a tenant or household member from a lease, without regard to whether the tenant or household member is a signatory to a lease, in order to evict, remove, terminate occupancy rights, or terminate assistance to any individual who is a tenant or lawful occupant and who engages in acts of physical violence against family members or others. Such action against the perpetrator of such physical violence may be taken without evicting, removing, terminating assistance to, or otherwise penalizing the victim of such violence who is also the tenant or a lawful occupant. Such eviction, removal, termination of occupancy rights, or termination of assistance shall be effected in accordance with the procedures prescribed by law applicable to terminations of tenancy and evictions by HACB. Leases used for all public housing operated by HACB and, at the option of Section 8 owners or managers, leases for dwelling units occupied by families assisted with Section 8 rental assistance administered by HACB, shall contain provisions setting forth the substance of this paragraph. No such bifurcation will be done by HACB or a Section 8 owner or manager until the tenant has proceeded under state law to obtain a Protection from Abuse Order.

VII. Verification of Domestic Violence, Dating Violence or Stalking

A. Requirement for Verification. The law allows, but does not require, HACB or a section 8 owner or manager to verify that an incident or incidents of actual or threatened domestic violence, dating violence, or stalking claimed by a tenant or other lawful occupant is bona fide and meets the requirements of the applicable definitions set forth in this policy. Subject only to waiver as provided in paragraph VII. C., HACB shall require verification in all cases where an individual claims protection against an action involving such individual proposed to be taken by HACB. Section 8 owners or managers receiving rental assistance administered by HACB may elect to require verification, or not to require it as permitted under applicable law.

Verification of a claimed incident or incidents of actual or threatened domestic violence, dating violence or stalking may be accomplished in one of the following three ways:

1. HUD-approved form - by providing to HACB or to the requesting Section 8 owner or manager a written certification, on a form approved by the U.S. Department of Housing and Urban Development (HUD), that the individual is a victim of domestic violence, dating violence or stalking that the incident or incidents in question are bona fide incidents of actual or threatened abuse meeting the requirements of the applicable definition(s) set forth in this policy. The incident or incidents in question must be described in reasonable detail as required in the HUD-approved form, and the completed certification must include the name of the perpetrator.

- 2. Other documentation by providing to HACB or to the requesting Section 8 owner or manager documentation signed by an employee, agent, or volunteer of a victim service provider, an attorney, or a medical professional, from whom the victim has sought assistance in addressing the domestic violence, dating violence or stalking, or the effects of the abuse, described in such documentation. The professional providing the documentation must sign and attest under penalty of perjury (28 U.S.C. 1746) to the professional's belief that the incident or incidents in question are bona fide incidents of abuse meeting the requirements of the applicable definition(s) set forth in this policy. The victim of the incident or incidents of domestic violence, dating violence or stalking described in the documentation must also sign and attest to the documentation under penalty of perjury.
- 3. *Police or court record* by providing to HACB or to the requesting Section 8 owner or manager a Federal, State, or local police or court record describing the incident or incidents in question.
- B. *Time allowed to provide verification/ failure to provide*. An individual who claims protection against adverse action based on an incident or incidents of actual or threatened domestic violence, dating violence or stalking, and who is requested by HACB, or a Section 8 owner or manager to provide verification, must provide such verification within 14 business days (*i.e.*, 14 calendar days, excluding Saturdays, Sundays, and federally-recognized holidays) after receipt of the request for verification. Failure to provide verification, in proper form within such time will result in loss of protection under VAWA and this policy against a proposed adverse action.
- C. Waiver of verification requirement. The Executive Director of HACB, or a Section 8 owner or manager, may, with respect to any specific case, waive the above-stated requirements for verification and provide the benefits of this policy based on the victim's statement or other corroborating evidence. Such waiver may be granted in the sole discretion of the Executive Director, owner or manager. Any such waiver must be in writing. A waiver in a particular instance or instances shall not operate as precedent for, or create any right to, waiver in any other case or cases, regardless of similarity in circumstances.

VIII. Confidentiality

- A. *Right of confidentiality*. All information (including the fact that an individual is a victim of domestic violence, dating violence or stalking) provided to HACB or to a Section 8 owner or manager in connection with a verification required under section VII of this policy or provided in lieu of such verification where a waiver of verification is granted, shall be retained by the receiving party in confidence and shall neither be entered in any shared database nor provided to any related entity, except where disclosure is:
 - 1. requested or consented to by the individual in writing, or
 - 2. required for use in a public housing eviction proceeding or in connection with termination of Section 8 assistance, as permitted in VAWA, or
 - 3. otherwise required by applicable law.

B. *Notification of rights*. All tenants of public housing and tenants participating in the Section 8 rental assistance program administered by HACB shall be notified in writing concerning their right to confidentiality and the limits on such rights to confidentiality.

VIII. Transfer to New Residence

- A. Application for transfer. In situations that involve significant risk of violent harm to an individual as a result of previous incidents or threats of domestic violence, dating violence, or stalking, HACB will, if an approved unit size is available at a location that may reduce the risk of harm, approve transfer by a public housing or Section 8 tenant to a different unit in order to reduce the level of risk to the individual. A tenant who requests transfer must attest in such application that the requested transfer is necessary to protect the health or safety of the tenant or another member of the household who is or was the victim of domestic violence dating violence or stalking and who reasonably believes that the tenant or other household member will be imminently threatened by harm from further violence if the individual remains in the present dwelling unit.
- B. Action on applications. HACB will act upon such an application promptly.
- C. No right to transfer. HACB will make every effort to accommodate requests for transfer when suitable alternative vacant units are available and the circumstances warrant such action. However, except with respect to portability of Section 8 assistance as provided in paragraph IX. E. below the decision to grant or refuse to grant a transfer shall lie within the sole discretion of HACB, and this policy does not create any right on the part of any applicant to be granted a transfer.
- D. Family rent obligations. If a family occupying HACB public housing moves before the expiration of the lease term in order to protect the health or safety of a household member, the family will remain liable for the rent during the remainder of the lease term unless released by HACB. In cases where HACB determines that the family's decision to move was reasonable under the circumstances, HACB may wholly or partially waive rent payments and any rent owed shall be reduced by the amounts of rent collected for the remaining lease term from a tenant subsequently occupying the unit.
- E. *Portability*. Notwithstanding the foregoing, a Section 8-assisted tenant will not be denied portability to a unit located in another jurisdiction (notwithstanding the term of the tenant's existing lease has not expired, or the family has not occupied the unit for 12 months) so long as the tenant has complied with all other requirements of the Section 8 program and has moved from the unit in order to protect a health or safety of an individual member of the household who is or has been the victim of domestic violence dating violence or stalking and who reasonably believes that the tenant or other household member will be imminently threatened by harm from further violence if the individual remains in the present dwelling unit.

X. Court Orders/Family Break-up

A. *Court orders*. It is HACB's policy to honor orders entered by courts of competent jurisdiction affecting individuals assisted by HACB and their property. This includes cooperating with law enforcement authorities to enforce civil protection orders issued for the protection of victims and addressing the distribution of personal property among household members in cases where a family breaks up.

B. *Family break-up*. Other HACB policies regarding family break-up are contained in HACB's Public Housing Admissions and Continuing Occupancy Plan (ACOP) and its Section 8 Administrative Plan.

XI. Relationships with Service Providers

It is the policy of HACB to cooperate with organizations and entities, both private and governmental, that provide shelter and/or services to victims of domestic violence. If HACB staff become aware that an individual assisted by HACB is a victim of domestic violence, dating violence or stalking, HACB will refer the victim to such providers of shelter or services as appropriate. Notwithstanding the foregoing, this Policy does not create any legal obligation requiring HACB either to maintain a relationship with any particular provider of shelter or services to victims or domestic violence or to make a referral in any particular case. HACB's annual public housing agency plan shall describe providers of shelter or services to victims of domestic violence with which HACB has referral or other cooperative relationships.

XII. Notification

HACB shall provide written notification to applicants, tenants, and Section 8 owners and managers, concerning the rights and obligations created under VAWA relating to confidentiality, denial of assistance and, termination of tenancy or assistance.

XIII. Relationship with Other Applicable Laws

Neither VAWA nor this Policy implementing it shall preempt or supersede any provision of Federal, State or local law that provides greater protection than that provided under VAWA for victims of domestic violence, dating violence or stalking.

XIV. Amendment

This policy may be amended from time to time by HACB as approved by the HACB Board of Commissioners.

Violence Against Women Act (VAWA) Housing Authority of the County of Beaver

On January 5, 2006, President Bush signed into law the Violence Against Women Act (VAWA). VAWA was designed to protect victims of domestic violence, dating violence, or stalking, and their household members, from being evicted from public housing or having their Section 8 voucher terminated based on acts of such violence against any member of the household. This Act prohibits public housing agencies and owners participating in the Section 8 tenant and project based voucher programs from evicting or terminating the lease of any household containing a victim of domestic violence unless the incident in question presents an actual or imminent threat to other tenants, employees, or others providing services to the property. Most importantly, VAWA does not protect perpetrators from eviction from the residence. If an individual is claiming to be a victim of domestic violence, dating violence or stalking, the Housing Authority or Section 8 landlord will request that the victim certify, via a HUDapproved certification form, that he/she is a victim of actual or threatened abuse. The certification must name the perpetrator and must certify that the incident in question is an authentic incident of actual or threatened abuse. As per VAWA, the certification must be provided within 14 business days and must be accompanied by a federal, state, or local police or court record; or documentation signed under penalties of perjury by an employee, agency, or volunteer of a victim service provider, an attorney, or a medical professional from whom the victim has sought assistance in addressing the domestic violence, dating violence or stalking. Except in specific circumstances, all information provided by the victim will be maintained as confidential. The consequence of the tenant/victim not providing the certification in a timely manner is that the Housing Authority or Section 8 landlord may evict or terminate the lease of the tenant or any lawful occupant that commits violations of the lease. If you have any questions pertaining to VAWA, please contact your development manager.

Residents of Low Rent Public Housing Residential Lease Agreement Amendment Pertaining to the Violence Against Women Act (VAWA)

The following section is added to your residential dwelling lease effective <u>January 1, 2007</u>:

21. Domestic Violence, Dating Violence, Stalking. The following provisions are applicable to situations involving incidents involving actual or threatened domestic violence, dating violence, or stalking, as those terms are defined in Section 6(u)(3) of the United States Housing Act of 1937, as amended, (42 U.S.C. §1437d(u)(3)) and in Landlord's Violence Against Women Act (VAWA) Policy. To the extent any provision of this section shall vary from or contradict any other provision of this lease, the provisions of this section shall prevail.

A. Termination of tenancy.

- 1. An incident or incidents of actual or threatened domestic violence, dating violence, or stalking shall not constitute a serious or repeated violation of the lease by the victim of such violence; and
- 2. Criminal activity directly relating to domestic violence, dating violence or stalking, engaged in by a member of the tenant's household, a guest, or other person under the tenant's control, shall not be cause for termination of tenancy or occupancy rights, if the Tenant or any member of the Tenant's family is a victim of that domestic violence, dating violence, or stalking.
- 3. Notwithstanding anything to the contrary contained in paragraphs 21 A.1. and 21 A.2. above, LANDLORD may terminate Tenant's tenancy under this lease if it can demonstrate an actual and imminent threat to other tenants or to those employed at or providing service to the development in which the unit is located, if the tenant's tenancy is not terminated.
- 4. Further, nothing in this section shall prohibit LANDLORD from terminating tenancy under this lease based on a violation of this lease not premised on an act or acts of domestic violence, dating violence, or stalking against the tenant or a member of the tenant's household for which protection against termination of tenancy is given in paragraphs 21 A.1. and 21 A.2. above. However, in taking any such action to terminate tenancy, LANDLORD shall not apply a more demanding standard to you than to other tenants.

- B. Bifurcation of Lease. Under the authority provided in Section 6(l) (6) (B) of the United States Housing Act of 1937, as amended (42 U.S.C. §1437d (l) (6) (B)), LANDLORD may bifurcate this lease in order to evict, remove, or terminate assistance to any individual who is a Tenant or a lawful occupant under this lease and who engages in criminal acts of physical violence against family members or others. LANDLORD may take such action without evicting, removing, terminating assistance to, or otherwise penalizing a victim of such violence who is the Tenant or a lawful occupant under this lease.
- C. <u>Certification</u>. If the Tenant or a lawful occupant, as a defense to termination of tenancy or an action to evict, claims protection under this section against such action, LANDLORD may (but is not required to) request the individual to deliver to LANDLORD a certification. The certification may be delivered in one of the following forms:
 - 1. a HUD-approved form (supplied by LANDLORD) attesting that the individual is a victim of domestic violence, dating violence, or stalking and that the incident or incidents in question are bona fide incidents of such actual or threatened abuse and meet the requirements of this section, or
 - 2. documentation signed by an employee, agent or volunteer of a victim service provider, an attorney, or a medical professional, from whom the victim has sought assistance in addressing domestic violence, dating violence, or stalking or the effects of the abuse, in which the professional attests under penalty of perjury to the professional's belief that the incident or incidents in question are bona fide incidents of abuse, and the victim has signed or attested to the documentation, or
 - 3. a federal, State, tribal, or local police report or court record, describing the incident or incidents in question.

The certification must be delivered to LANDLORD within 14 days after the request for certification is received from LANDLORD. If the certification is not delivered to LANDLORD within the 14-day period allowed, the provisions of this section will not apply and LANDLORD may elect to terminate tenancy and evict without regard to the protections provided in this section.

D. <u>Confidentiality</u>. The law requires that information provided to LANDLORD concerning an incident of incidents of domestic violence, dating violence, or stalking be retained in confidence, not placed in any shared data base nor provided to a related entity, except to the extent disclosure requested or consented to by the individual supplying such information, or required for use in an eviction proceeding, or otherwise required by applicable law.

NOTIFICATION OF RIGHTS AND OBLIGATIONS VIOLENCE AGAINST WOMEN ACT (VAWA)

To: Public Housing tenant

From: Housing Authority of the County of Beaver

In January 2006, President Bush signed a law known as the Violence Against Women and Department of Justice Reauthorization Act of 2005. Portions of this law create new protections for victims of domestic violence, dating violence and stalking who are residents in public housing or who are assisted with section 8 rental assistance.

The following is a brief summary of the principal provisions of the new law, which is known as "VAWA". Additional details are set forth in the [brochure/housing authority VAWA policy] delivered with this notice.

You should know that:

1. **Admissions**: The housing authority may not deny admission to a public housing project to any applicant on the basis that the applicant is or has been the victim of domestic violence, dating violence, or stalking (see attached brochure for definitions of these terms), if the applicant otherwise qualifies for assistance or admission.

2. Lease terms:

- An incident or incidents of actual or threatened domestic violence, dating violence, or stalking will not be considered to be a "serious or repeated" violation of the lease by the victim or threatened victim of that violence and will not be good cause for terminating the tenancy or occupancy rights of the victim of that violence.
- Additionally, your tenancy will not be terminated as a result of criminal activity, if
 that criminal activity is directly related to domestic violence, dating violence or
 stalking engaged in by a member of your household, a guest or another person
 under your control, and you or an immediate family member is the victim.

You should also know that there are some limitations to these protections:

- Your tenancy <u>may be</u> terminated if the housing authority can demonstrate "an actual and imminent threat" to other tenants or to persons employed at or providing services to the development.
- So long as the housing authority does not apply a more demanding standard to you than to other tenants, your tenancy <u>may be</u> terminated for lease violations that are

- not based on an incident or incidents of domestic violence, dating violence or stalking for which VAWA provides protections.
- If you claim protection under VAWA against termination of your tenancy, the housing authority may require you to deliver a certification concerning the incident or incidents that you believe raises the VAWA protections. If you do not deliver this certification within the time allowed, you will lose your legal protections under VAWA.
- 3. **Certification:** There are three way to certify if the housing authority requests you to do so. The law allows you to fill out a HUD-approved form, which will be delivered to you by the housing authority, or you may provide a police report or court record, or you may have a professional person whom you consulted about the domestic violence, dating violence or stalking provide documentation as described more fully in the attached brochure. <u>You must deliver the certification in one of these three ways within 14 business days after your receipt of the housing authority's request for certification.</u>
- 4. **Confidentiality:** Information provided by you about an incident or incidents of domestic violence, dating violence or stalking involving you or a member of your household will be held by the housing authority in confidence and not shared without your consent, <u>except that this information may be disclosed in an eviction proceeding or otherwise as necessary to meet the requirements of law.</u>
- **5. Removal of Perpetrator of Physical Violence:** VAWA contains a new provision of federal law that allows the housing authority to terminate the tenancy of, and evict, an individual tenant or other lawful occupant who engages in criminal acts of physical violence against family members. This action may be taken against the individual alone, without evicting, terminating the tenancy of, removing or otherwise penalizing other household members.

For additional information, please consult the attached Housing Authority VAWA policy or you may contact your Development Manager.

Housing Authority of the County of Beaver PHA Annual Plan for Fiscal Year Beginning July 2011

Section 7.0 Section 8 Project Based Vouchers

The Housing Authority of the County of Beaver will continue to endeavor the stimulation of housing production through the use of project based Section 8 assistance. As viable projects are presented, the Housing Authority will determine the feasibility of the use of project based Section 8 assistance.

Project selection will be based upon guidance issued by HUD in the final rule notice published on October 13, 2005 with an effective date of November 14, 2005 revising 24 CFR Part 983. Specifically, as per 24 CFR Part 983.51(b) "Selection of PBV proposals. The PHA must select PBV proposals in accordance with the selection procedures in the PHA administrative plan."

The Housing Authority of the County of Beaver has chosen the method prescribed under 24 CFR Part 983.51(b)(2), "Selection of a proposal for housing assisted under a federal, state, or local government housing assistance, community development, or supportive services program that requires competitive selection of proposals (e.g., HOME, and units for which competitively awarded LIHTCs have been provided), where the proposal has been selected in accordance with such program's competitive selection requirements within three years of the PBV proposal selection date, and the earlier competitive selection proposal did not involve any consideration that the project would receive PBV assistance."

Therefore, the Housing Authority of the County of Beaver has agreed to project base 24 Section 8 Housing Choice Vouchers to Friendship Commons Senior Housing LP who was selected by the Pennsylvania Housing Finance Agency on July 9, 2009 to receive low income housing tax credits in the amount of \$3,057,000 to construct a 24 unit development on a 1.84 acre tract of land situate in Brighton Township to be known as Friendship Commons to house qualifying elderly and/or disabled residents. In concert with the award of low income housing tax credits, on February 26, 2010, the Community Development Program of Beaver County selected the proposal submitted by Friendship Commons Senior Housing LP to receive \$700,000 in HOME Funds for the construction of this development. Construction was completed on March 14, 2011 with occupancy to start the week of March 21, 2011.

The project basing of these 24 units of Section 8 Housing Choice Vouchers is consistent with strategies delineated in our Agency's 5-Year Plan.

Goal #6 – Ensure equal opportunity in housing for all Americans ACCOMPLISHMENTS:

- 1. Market to all segments of community
- 2. Outreach letters to agencies advising them that accessible housing is available.
- 3. Renovated units to the Uniform Federal Accessibility Standard (UFAS) as part of the modernization process. To expedite the completion of the HUD mandated 5% threshold of units meeting UFAS, these units were renovated using dollars from bonds financed with the Capital Fund.
- 4. Administer the Beaver County HOME Funded Tenant Based Rental Assistance (TBRA) Program for persons with disabilities. This program on average assists 15 to 18 households per month.

5. Administer the Bridge Subsidy Program for Beaver County Behavioral Health (BCBH) to provide rental subsidy for approximately 50 to 60 priority consumers through Reinvestment Funds provided by the Commonwealth of Pennsylvania's Department of Public Welfare's Office of Mental Health and Substance Abuse Services (OMHSAS). These priority consumers are individuals who are being discharged from Mayview State Hospital, Long Term Structured Care Residences (LTSR), Community Residential Rehabilitation facilities (CRR) or Health Choice enrollees who demonstrate a need for supportive housing.

PHA Annual Plan for Fiscal Year Beginning July 2011 Section 10.0 (b) Significant Amendment and Substantial Deviation/Modification

Substantial Deviation Definition

From time to time, the Annual Plan and/or the Five-Year Plan may require revisions. Board of Commissioner's formal approval of revisions to the Annual Plan and/or Five Year Plan will only be required when the proposed changes constitute a "substantial deviation" or a "significant amendment or modification" to the approved plan.

The Beaver County Housing Authority's definition of "substantial deviation" and "significant amendment or modification" is as follows:

Substantial deviations or significant amendments or modifications are defined as discretionary changes in the plans or policies of the housing authority that fundamentally change the mission, goals, objectives or plans of the agency and which require the formal approval of the Board of Commissioners such as:

- Changes to rent or admissions policies or organization of the waiting lists;
- Additions of non-emergency work items that are not listed in the current Annual Statement or Five-Year Action Plan or change in the use of replacement reserve funds under the Capital Fund;
- Any change with regard to demolition or disposition, designation, homeownership programs or conversion activities.

Acting on behalf of the Board of Commissioners of the Public Housing Agency (PHA) listed below, as its Chairman or other authorized PHA official if there is no Board of Commissioners, I approve the submission of the ____ 5-Year and/or _X _Annual PHA Plan for the PHA fiscal year beginning 7/1/2011, hereinafter referred to as" the Plan", of which this document is a part and make the following certifications and agreements with the Department of Housing and Urban Development (HUD) in connection with the submission of the Plan and implementation thereof:

- 1. The Plan is consistent with the applicable comprehensive housing affordability strategy (or any plan incorporating such strategy) for the jurisdiction in which the PHA is located.
- 2. The Plan contains a certification by the appropriate State or local officials that the Plan is consistent with the applicable Consolidated Plan, which includes a certification that requires the preparation of an Analysis of Impediments to Fair Housing Choice, for the PHA's jurisdiction and a description of the manner in which the PHA Plan is consistent with the applicable Consolidated Plan.
- 3. The PHA certifies that there has been no change, significant or otherwise, to the Capital Fund Program (and Capital Fund Program/Replacement Housing Factor) Annual Statement(s), since submission of its last approved Annual Plan. The Capital Fund Program Annual Statement/Annual Statement/Performance and Evaluation Report must be submitted annually even if there is no change.
- 4. The PHA has established a Resident Advisory Board or Boards, the membership of which represents the residents assisted by the PHA, consulted with this Board or Boards in developing the Plan, and considered the recommendations of the Board or Boards (24 CFR 903.13). The PHA has included in the Plan submission a copy of the recommendations made by the Resident Advisory Board or Boards and a description of the manner in which the Plan addresses these recommendations.
- 5. The PHA made the proposed Plan and all information relevant to the public hearing available for public inspection at least 45 days before the hearing, published a notice that a hearing would be held and conducted a hearing to discuss the Plan and invited public comment.

- 7. The PHA will affirmatively further fair housing by examining their programs or proposed programs, identify any impediments to fair housing choice within those programs, address those impediments in a reasonable fashion in view of the resources available and work with local jurisdictions to implement any of the jurisdiction's initiatives to affirmatively further fair housing that require the PHA's involvement and maintain records reflecting these analyses and actions.
- 8. For PHA Plan that includes a policy for site based waiting lists:
 - The PHA regularly submits required data to HUD's 50058 PIC/IMS Module in an accurate, complete and timely manner (as specified in PIH Notice 2006-24);
 - The system of site-based waiting lists provides for full disclosure to each applicant in the selection of the development in which to reside, including basic information about available sites; and an estimate of the period of time the applicant would likely have to wait to be admitted to units of different sizes and types at each site;
 - Adoption of site-based waiting list would not violate any court order or settlement agreement or be inconsistent with a
 pending complaint brought by HUD;
 - The PHA shall take reasonable measures to assure that such waiting list is consistent with affirmatively furthering fair housing;
 - The PHA provides for review of its site-based waiting list policy to determine if it is consistent with civil rights laws and certifications, as specified in 24 CFR part 903.7(c)(1).

- 15. With respect to public housing the PHA will comply with Davis-Bacon or HUD determined wage rate requirements under Section 12 of the United States Housing Act of 1937 and the Contract Work Hours and Safety Standards Act.
- 16. The PHA will keep records in accordance with 24 CFR 85.20 and facilitate an effective audit to determine compliance with program requirements.
- 17. The PHA will comply with the Lead-Based Paint Poisoning Prevention Act, the Residential Lead-Based Paint Hazard Reduction Act of 1992, and 24 CFR Part 35.
- 18. The PHA will comply with the policies, guidelines, and requirements of OMB Circular No. A-87 (Cost Principles for State, Local and Indian Tribal Governments), 2 CFR Part 225, and 24 CFR Part 85 (Administrative Requirements for Grants and Cooperative Agreements to State, Local and Federally Recognized Indian Tribal Governments).
